

The Affordable Choice

Solutions for Today for the Problems of Tomorrow
With No Deductibles

This is a Hospital Confinement and other Fixed Indemnity Insurance Policy

The Right Plans for the Right Times

For today's medical uncertainties, people want a product to give them the Peace-of-Mind needed to plan for tomorrow. With a long history of strong finances and policies featuring cash benefits, Central United Life just might have the edge in delivering that feeling.

Affordability - Choose from two plan options to find the one that fits your budget and lifestyle.

Accessibility - With only a few medical questions on the application, it's easy to apply.

Flexibility - Keep your own doctors; choose from individual or family coverage.

Versatility - These plans pay benefits for health services, such as doctor's office visits, immunizations and lab work. In addition, our plans provide you with hospital and surgical benefits, should you need them.

Affordable Choice - Affordable Healthcare

This plan pays a specified cash amount when you receive a particular service, regardless of what your provider charges you. Cash is paid to you or your provider if you assign the benefits.

Out Patient Benefits - **No Deductible**

Inpatient Benefits - **No Deductible**

Preventative Care Benefits - **No Deductible**

Surgical Benefits - **Both Inpatient and Outpatient Facilities**

Hospital Admission Benefit

Ground or Air Ambulance

Allergy Shots and Immunizations

Prescription Drugs

\$2,000,000 Maximum Lifetime

All Benefits are per Covered Person

Get more by having the Affordable Choice

Your Affordable Choice plan's benefits start right away (subject to pre-existing condition exclusion). There are no deductibles and co-pays before benefits begin. With your ID card in hand, you will be able to visit the doctor, knowing that your Affordable Choice plan will pay a set cash amount for your office visit and other covered expenses.

How you save with the Affordable Choice

In addition to cash payments that help pay medical services, the Affordable Choice helps get you more for your money with the **MultiPlan Network**.

MultiPlan Network is one of the oldest and largest networks. Currently, MultiPlan contracts with over 560,000 respected practitioners, 5,000 hospitals, and 85,000 specialty care facilities, so it's not difficult to find a participating provider in any area of the country.

You save an average of 25-30% off inpatient and outpatient hospital charges when you use the **MultiPlan Network** and have us pay the provider.

Regardless of the benefit level you choose, your Affordable Choice plan will help you pay for the care you need when you're healthy, sick or injured.

You pay no deductible, and benefits are available right away. (Subject to pre-existing condition limitation.)

Look at the two examples showing how different plan levels will keep you healthy so you can take care of yourself and others relying on you.*

Routine preventive care exam with labs - Affordable Choice Classic

Service received:	Cost:	Plan pays:
Preventive care/office visit	\$95	\$50

Right to Examine Policy for 10 Days

If you are not satisfied, return the Policy to Us or Our agent within 10 days after You have received it. All premiums will be refunded and Your coverage will be void from the Effective Date. In OK, if We do not return any premium or moneys paid within 30 days from the date of cancellation, We will pay interest on the proceeds.

Termination

The Policyholder may cancel this plan at any time by sending Us written notice.

The Policy will terminate at 12:01 a.m. local time at the Policyholder's state of residence on the earliest of the following date:

- The end of the month you attain age 65.
- The date We receive a request in writing or by telephone to terminate this policy or a later date that is requested by the Policyholder.
- The date this policy lapses for nonpayment of premium subject to the Grace Period provision in the Premium Provision section.
- The date there is fraud or material misrepresentation made by or with the knowledge of any Covered Person applying for this coverage or filing a claim for benefits.
- The date all plans the same as this one are non-renewed in the state in which this Policy was issued or the state in which the Policyholder presently resides.
- The date We terminate or nonrenew all individual market hospital-indemnity insurance plans in the state in which the Policy was issued or the state in which You presently reside. We will give You advance notice, as required by state law, of the termination of Your coverage.
- The date the Policyholder moves to a state where We do not provide insurance under a plan with the same plan design as the Policy, We reserve the right to terminate this coverage.
- For a Dependent, the date a Covered Dependent no longer meets the Dependent definition in the policy. We will pay benefits to the end of the time for which We have accepted premiums.

Policy Form Numbers: CHCS13, CHCS13-LA, CHC13-OK; CHCS15 (including state variations)

Pre-Existing Conditions Limitation

(varies by state)

We will not pay benefits for events that result from or are related to a pre-existing condition, or its complications*, until the covered person has been continuously insured under this plan for 12 months. After this period, benefits will be available for events resulting from or related to a pre-existing condition, or its complications*, provided that the covered event occurs while this plan is in force.

** In NC, "or its complications" does not apply.*

Exclusions

This plan provides benefits only for Covered Events identified in the Hospital Confinement and Other Fixed Indemnity Benefits section.

We will not pay benefits for claims resulting, whether directly or indirectly, from Events or loss related to or resulting from any of the following:

1. Except in NC, sickness or Injury that is the result of a work-related condition that is eligible for benefits under Workers' Compensation, Employers' Liability or similar laws even when the Covered Person does not file a claim for benefits. This exclusion will not apply to a Covered Person who is not required to have coverage under any Workers' Compensation, Employers' Liability or similar law and does not have such coverage. However, the Covered Person must receive services in accordance with the Hospital Confinement and Other Fixed Indemnity Benefits section.
2. War or any act of war, whether declared or undeclared. In NC, war or any act of war, declared or undeclared, except for acts of terrorism against the general population. In OK, while serving in the military or an auxiliary unit attached to the military, or working in an area of war whether voluntarily or as required by an employer.
3. Participation in the military service of any country or international organization.
4. Treatment, services or supplies that:
 - a. Are not part of a specifically listed Covered Event shown on the Benefit Schedule.
 - b. Are due to complications of a non-covered service (in TN, except Complications of Pregnancy).
 - c. Are incurred before the Covered Person's Effective Date or after the termination date of coverage, except as provided under the Extension of Benefits provision in the Other Provisions section.
 - d. Are provided in a student health center or by or through a school system.
5. Glasses, contact lenses, vision therapy, exercise or training, surgery including any complications arising therefrom to correct visual acuity including, but not limited to, lasik and other laser surgery, radial keratotomy services or surgery to correct astigmatism, nearsightedness (myopia) and/or farsightedness (presbyopia); vision care that is routine.
6. Hearing care that is routine; any artificial hearing device, cochlear implant, auditory prostheses or other electrical, digital, mechanical or surgical means of enhancing, creating or restoring auditory comprehension.
7. Treatment for foot conditions including, but not limited to:
 - a. Flat foot conditions.
 - b. Foot supportive devices, including orthotics and corrective shoes.
 - c. Foot subluxation treatment.
 - d. Corns, bunions, calluses, toenails, fallen arches, weak feet, chronic foot strain or symptomatic complaints of the feet.
 - e. Hygienic foot care that is routine.
8. Except in NC, dental treatment, dental care that is routine, bridges, crowns, caps, dentures, dental implants or other dental prostheses, dental braces or dental appliances, extraction of teeth, orthodontic treatment, odontogenic cysts, any other treatment or complication of teeth and gum tissue, except as otherwise covered for a Dental Injury. In TN, This exclusion does not apply to Hospital and anesthesia services associated with any Hospital dental procedure if the procedure is performed on an insured minor 8 years of age or younger and cannot be safely performed in a dental office setting.
9. Except in NC and TN, treatment of Temporomandibular Joint Dysfunction and Craniomandibular Joint Dysfunction; any appliance, medical or surgical treatment for malocclusion (teeth that do not fit together properly which creates a bite problem), protrusion or recession of the mandible (a large chin which causes an underbite or a small chin which causes an overbite), maxillary or mandibular hyperplasia (excess growth of the upper or lower jaw) or maxillary or mandibular hypoplasia (undergrowth of the upper or lower jaw).
10. Treatment of Mental/Nervous Disorders or Substance Abuse, whether organic or non-organic, chemical or non-chemical, biological or non-biological in origin and irrespective of cause, basis or inducement, including, but not limited to, drugs and medicines for Inpatient or Outpatient treatment of Mental/Nervous Disorders or Substance Abuse.
11. Any treatment, services, supplies, diagnosis, drugs, medications or regimen, whether medical or surgical, for purposes of controlling the Covered Person's weight or related to obesity or morbid obesity (in IL "morbid obesity does not apply), whether or not weight reduction is Medically Necessary or appropriate or regardless of potential benefits for co-morbid conditions, weight reduction or weight control surgery, treatment or programs, any type of gastric bypass surgery, suction lipectomy, physical fitness programs, exercise equipment or exercise therapy, including health club membership visits or services; nutritional counseling.
12. Organ, tissue or cellular material donation by a Covered Person, including administrative visits for registry, computer search for donor matches, preliminary donor typing, donor counseling, donor identification and donor activation.
13. Chemical peels, reconstructive or plastic surgery that does not alleviate a functional impairment and other confinement or treatment visits that are primarily for a Cosmetic Service (in NC, except for congenital defects or anomalies) as determined by Us.
14. Capsular contraction, augmentation or reduction mammoplasty, except for all stages and revisions of reconstruction of the breast following a Medically Necessary mastectomy for treatment of cancer, including reconstruction of the other breast to produce a symmetrical appearance and treatment of lymphedemas.
15. Removal or replacement of a prosthesis, Durable Medical Equipment or Personal Medical Equipment, except for internal breast prostheses following a Medically Necessary mastectomy for treatment of cancer and services are received in accordance with the Hospital Confinement and Other Fixed Indemnity Benefits section.
16. Prophylactic treatment, services or surgery including, but not limited to, prophylactic mastectomy or any other treatment, services or surgery to prevent a disease process from becoming evident in the organ or tissue at a later date.
17. Treatment, services, and supplies for:
 - a. Home Health Care.
 - b. Hospice Care.
 - c. Skilled Nursing Facility care, Inpatient rehabilitation services.
 - d. Custodial Care, respite care, rest care, supportive care, homemaker services.
 - e. Phone, facsimile, internet or e-mail consultation, compressed digital interactive video, audio or clinical data transmission using computer imaging by way of still-image capture and store forward; Telemedicine Services or Telehealth Services or technology that facilitates access to a Health Care Practitioner.
 - f. Treatment, services or supplies that are furnished primarily for the personal comfort or convenience of the Covered Person, Covered Person's family, a Health Care Practitioner or provider.
 - g. Treatment or services provided by a standby Health Care Practitioner.
 - h. Except in LA, treatment or services provided by a masseur, masseuse or massage therapist, massage therapy, a rolfer.
18. Treatment, services, and supplies for growth hormone therapy, (in NC, except for growth hormones prescribed to treat congenital defects or anomalies in newborn, newly placed foster or adopted children), including growth hormone medication and its derivatives or other drugs used to stimulate, promote or delay growth or to delay puberty to allow for increased growth.

19. Treatment, services and supplies related to the following conditions, regardless of underlying causes: sex transformation, gender dysphoric disorder, gender reassignment, and treatment of sexual function, dysfunction or inadequacy, treatment to enhance, restore or improve sexual energy, performance or desire.
20. Treatment, services and supplies related to: maternity, pregnancy (except Complications of pregnancy), routine well newborn care at birth including nursery care, abortion (in TN, elective abortion).
21. Except in LA, MO NC, and TN, any prescription drugs whether purchased, dispensed, or received from or by a physician, pharmacy, Hospital, emergency room or any other medical facility, including contraceptive drugs or devices.
22. Except in LA, MO NC, and TN, contraceptive procedures, contraceptive drugs or devices, not dispensed from a pharmacy, including, but not limited to, contraceptive patches, contraceptive vaginal rings, diaphragms, injectable contraceptives and contraceptive implants.
23. Treatment for or treatment use of: a. Genetic testing or counseling, genetic services and related procedures for screening purposes including, but not limited to, amniocentesis and chronic villi testing. b.
